

Rejoicing In Recovery

As Christmas approaches, we ask that you remember Noah's House Inc., in your holiday plans. While preparing for joyous holiday celebrations with your friend and family, it's important to stop and reflect on the joy and blessings in your own life while also being aware that not everyone is so fortunate. While shopping for gifts and gatherings with loved ones, please consider setting aside part of your budget to support the work of Noah's House Inc., with a tax-deductible charitable donation.

Noah's House Inc., provides greatly needed Recovery Support services to Men & Women in our community. Last year, we provided assistance to an unprecedented number of community residents; people who wouldn't have had anywhere else to turn for help without Noah's House & Gracie's Place.

Your generosity will have a positive impact on people who are in need, as well as the larger community. Every gift matters.
